Help students for visa process and preparing for visa interview 5. Guide students for traveling to reach Institutions 6. Promote institute as a Brand. 7. To make policy for marketing
Type of Students recruiter	School, Under Graduate, Post Graduate, Medical, Diploma, Phd etc

Human Resources: Everyone here is committed to a level of excellence and willing to go that extra mile within the organization. Applying for a visa could be the most critical step for a student to take. Before applying for the visa the student should understand the process and some of the regulations related to student visas. For younger students, having to explain intentions, objectives, future plan and financial support is likely to be a novel experience.

We are well experienced recruitment partner as below institutions
